2015-2016 RELEASE

In connection with Christ Episcopal School's educational program, various field trips, excursions and off-location visits are planned for the students throughout the school year. Students will travel by private vehicles (including buses), School activity buses, Metro, and/or walk. Students will be adequately supervised at all times. The school requires that the parents/guardians give written authorization to the effect that their child is permitted to attend such trips and that they are willing to release Christ Episcopal School and Christ Episcopal Church, their officers and employees, and the drivers of private vehicles (including the School activity buses) from all responsibility for accident or injury of any kind. By signing this release, it is understood that parents hereby give blanket permission and release of responsibility for as long as the child is enrolled in Christ Episcopal School. Of course, should the parents desire that a child not attend such trips/activities, it is required that a written note to that effect be hand delivered by the parents/guardians to the child's homeroom teacher or to the school office prior to the day of the particular activity.
