Dear Christ Episcopal Community and Friends,

We welcome you warmly to our Gala for Christ Episcopal School, a mission and ministry of Christ Episcopal Church. We are so proud of the renewal, resilience, and innovation that have breathed new life into our community. This year has been exciting as we have sold the Jefferson Building and fully moved into the renovated classrooms in the church building, as the staffs of both church and school have come together in the Parish House to share administrative space, and as new bylaws and handbooks and enrichment activities have found their way into the lives of those in our school.

It has also been a year when we have had to continue to make accommodation for Covid by use of masks, making social distancing a priority, and having weekly and now biweekly tests given to students and staff to guarantee health and safety for all. And, of course, we now live in a world of uncertainty with the war in Ukraine and its impact on our lives.

Still, as a community we have built relationships, trust, and partnerships. Our joint missions to the community, youth gatherings including our middle school students and church kids, plantings of gardens, and joint worship services all point to a healthy relationship between school and church.

We must give thanks to all the volunteer efforts of those who continue to go above and beyond to nurture the bonds of church and school through their gifts of time and talent. We thank the Gala Committee, the CES Board of Trustees, the CEC Vestry, and all the volunteers who have made not only this gala a reality but all the other wonderful events like the Fall Festival Homecoming and the Book Fair, the concerts and plays, and all the other gatherings come to life.

God has continued to bless us. Thanks to each of you who give that we may be the best little school with the biggest heart in not only Rockville but all of Montgomery County.

Gratitude and blessings to all,

The Rev. Meg Ingalls
Interim Co-Rector, Christ Church

Chair, CES Board of Trustees

April, 2022

Dear Parents and Friends of Christ Episcopal School and Church,

Welcome to the 2022 CES “Evening in Paris” Auction and Gala! It has been a tumultuous couple of years, and I am thrilled to be welcoming all of you to this exciting in-person event. While still being vigilant as the pandemic eases, I welcome the opportunity to gather together for some wonderful festivities as we look to support our community with this event.

We have had many new families join us recently, and it is time to deepen those new relationships. The Gala offers a bit of fun and laughter, while reminding us of why we value our little school. In leading the school throughout these challenging times, I have come to realize that every single member of our community has an impact on our success. I cherish your support, whether financial, spiritual, or volunteer time, to keep our community strong and thriving. Thank you for all that you have given.

This beautiful Gala has a special place in my francophone heart. Countless hours have been spent by an amazing group of volunteers, along with CES staff led by Marion Entwisle, who have toiled tirelessly in creating this sparkling night. I urge you all to drink some lovely French wine, listen to the sultry sounds of Edith Piaf, and imagine sitting under the stars at an intimate French cafe with your friends. Let the evening begin!

CES Raise the Paddle 2022

Spotlight on our Playgrounds

With some exciting new initiatives being planned to include more hands-on learning and greater use of our outdoor space, we wish to also focus on repairing and improving our CES playground areas. The pandemic of the last two years has helped us to appreciate the great outdoors even more, including the mental and physical health benefits of outdoor exploration for children. We would like to raise \$20,000 to repair the fences, upgrade the equipment of the three playground areas, and provide additional enhancements.

Benefits:

- Improved safety of the space (basketball padding and fences repaired)
- Fresher, more attractive look for prospective parents and current community
- Extra engagement areas designed and added to provide more activity stations
- Visual features added to improve esthetic look
- Possible outdoor learning spaces created to encourage teaching outside

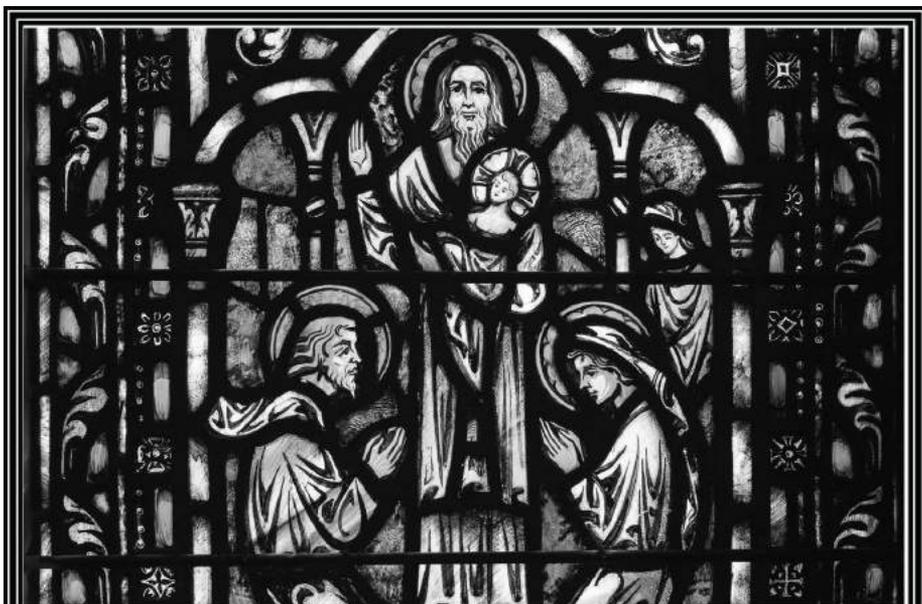

Students go outside to breathe fresh air, get out the wiggles, and use their bodies and imagination to develop new skills. Let's make that easy to do with a renewed and engaging space that provides many different opportunities for exploration.

Governing Rules of the Auction

All sales are final. No exchanges or refunds on auction items are permitted. All items will be sold “AS IS.” Please read specifications, limitations, and expirations carefully.

Upon purchase, the buyer waives any claim for liability against either Christ Episcopal School or the donor of the property or services. Neither CES nor the donor is responsible for any damages to person or property that may result from the use of property or services sold.

Unless otherwise specified, all auction items must be used within one year of the event (by April 23, 2023). Unless otherwise specified, dates and times for services or events are to be arranged at the mutual convenience of the donor and the buyer. Contact Marion Entwisle at mentwisle@cesrockville.org if you need assistance.

All auction items must be paid for in full on April 23, 2022. The cashier will be open to accept cash or check (made payable to CES) payment for both silent and live auction purchases fifteen minutes following the close of the live auction. **All credit card charges will be completed through Givergy using the payment link sent by text or email.** Check with your tax advisor as to the deductibility, if any, of the individual items. Please note that CES is required to charge Maryland sales tax (6%) on all tangible items.

At registration, each guest will receive a bidding number for the Live Auction. This number must be used for all Live Auction bidding and Raise the Paddle pledges.

A concerted effort has been made to accurately describe the auction items. Due to circumstances beyond our control, some items may have changed since the printing of the catalog. Please check items against descriptions and catalog numbers carefully prior to bidding. Every effort has been made to properly credit auction donations with the corresponding donor.

Using Givergy

Bidding on the Silent Auction items will be done through our auction software, Givergy, which can be accessed at www.givergy.us/ces. Guests must register with Givergy in order to bid, donate or purchase tickets with a credit card.

Each Silent Auction item lists a minimum acceptable bid. Items are sold to the highest bidder at the close of the bidding at 8:00pm. At the end of the auction guests will be sent their invoices by text or email, with the option to pay with their credit card through Givergy, or pay by check at the checkout desk.

The Live Auction continues until all items have been auctioned. The Auctioneer reserves the right to announce the conditions of the sale at any time. The Auctioneer also reserves the right to open bidding at a minimum price and to reject any bid that is not commensurate with the value of the item.

To enter a bid, the bidder signals the Auctioneer. The highest bidder acknowledged by the Auctioneer will be the buyer. In the event of a dispute, the Auctioneer and Auction Committee have the sole and final discretion to determine the successful bid or to re-offer and resell the item in dispute.

When bidding on an item is completed, the buyer will receive for signature a receipt showing the item and the amount of the winning bid. Following the close of the live auction, the receipt is processed by checkout and added to the buyer's total.

If you are attending the gala in person, please take your items with you on April 23rd. Go to the checkout and they will instruct you where to pick up your items. Silent Auction winners who are NOT attending in person may pick up their winnings at the Parish House from Marion Entwisle during the week of April 25-29th.
